WORK EXPERIENCE

Frontend Developer | ZettaSoft IO September 2021 - Present

This is the company with which you will build, expand and control your business.

My impact:

- Developing front-end
- Fixing bugs
- Discussing features and processes with clients
- Planning tasks

Projects in which I participated:

- [KEBEK](#)
- [Land of Startups](#)
- [Hustle Free](#)

Technologies:

JavaScript, React, TypeScript, Next, Redux Toolkit, SCSS.

Trainee Frontend Developer | MAKERS

July 2021 - August 2021

I mostly helped students with their assignments and checked their homework. I did various page layouts and fixed bugs.

Technologies:

HTML, CSS, SCSS, JavaScript, React, MUI, Bootstrap
